

Item for the March Catalyst

If you enjoy eating or gardening, save this date: March 26

The Channing Green Congregation Committee will host an organic (not necessarily local) foods potluck dinner on Wednesday, March 26 at 5:30 PM, in the Parish Hall. Let this adventure give you food for thought, and watch out for “green-washing” (i.e. natural or organic in marketing jargon, only.) For the program that follows, we’re inviting all the gardeners in the congregation to join in a question-and-answer panel, and we can quiz them on gardening wisdom. Subjects will include vegetables, fruits and flowers, organic growing, container gardening, composting (including vermiculture), and beyond! Sign up in the Parish Hall, or email Eleanor (eleonor_doumato@brown.edu) with the number attending and the dish you plan to bring.
