Bill Peresta summarized what the Interim Minister Search Committee has done in a very short amount of time. This coming Friday is when we are suppose to make a call to our first choice of Interim Ministers. The committee to date has done the following

1. Prepared our packet to distribute to candidates
2. Reviewed potential candidate's packets
3. Interviewed one candidate by phone and 2 in person
4. Checked references (still completing)

After doing all that they have come up with a clear choice of who the first choice candidate should be. Russ made a motion to authorize the Interim Search Committee to extend an offer to the individual they have determined to be the best first choice. The motion passed unanimously.
