Channing Memorial Church Volunteer Preference Form

This is a cooperative Religious Education Program, and as such, we expect that at least one parent participate in teaching. This does not require a great time commitment and the options are outlined below:

The year is divided into three, 8 week, seasons. Each season is taught by a teaching team of 4 people. Each person on the teaching team commits to 4 Sundays, leading the class for 2 Sundays, and assisting the class for 2 Sundays.

Teaching waivers are available for members of the RE Committee and families with special circumstances.

Please indicate your first and second choice for scheduling in the table below by writing YOUR NAME(S) in the appropriate boxes below. Preference is given to current teachers.
